

Telecommunicator's Week Celebrations in Peel Region!

Peel Police celebrated with a 'Hollywood' theme and we decorated our Communications Centre in gold and red. We set up a Hollywood Red Carpet area complete with props to take photos, offered up 17 gift baskets for raffle, cupcakes, free coffee, popcorn and dress down for the week. Each platoon was provided a games package and was also challenged to create a movie and submit it for a chance to win a platoon pizza party. Themes included 80's comedy, Musicals, 70's romance, 2010 horror, 2000's action and 90's superheroes. We had a fantastic week celebrating the incredible work that we do in our Centre. We also awarded two of our Communicators with the most prestigious and coveted annual awards of our Communications Centre. Pam Pereira won the Communicator of the Year Award and Christine Bedborough won the Paul Schram Award which is dedicated to her professional handling of a 9-1-1 call.

I have attached a few photos for your consideration.
