

New 9-1-1 Training Opportunity

Tactical Dispatch for the Telecommunicator

In today's communication centers, the need for Tactical Dispatchers is increasing. Agencies are sending their 9-1-1 Telecommunicators into field situations to staff communications vehicles for a variety of incidents. In this course, Telecommunicators will be given the background and training to transition into this different role.

Topics will include: What is Tactical Dispatching, factors in deployment, on scene roles and responsibilities, and proper use of common field communication technology.
